

# 515 Lunar: Single Pendant Light

Lunar Single Pendant Light: Form No.515 features a single seeded glass cylinder in this classic design. The bubbles are added by hand and add to the pieces' unique nature. It is reminiscent of the moon's surface and has an effervescent quality to it. This design works well in many different styles of decor including, traditional, transitional, beach style, or contemporary, and is perfect as a single pendant or even better in a group of pendants.
