

601 Lunar: Wall Sconce

The Lunar Series Form No. 601 Wall Sconce features a seeded glass shade. The bubbles are added by hand and add to the pieces' unique nature. It is reminiscent of the moon's surface and has an effervescent quality to it. This design works well in many different styles of decor including, traditional, transitional, beach style, or contemporary, and is perfect as a single sconce or to coordinate with our other pieces.
