

# 513 Lunar: Wall Sconce

The Lunar Series Form No. 513 Wall Sconce features a single seeded glass cylinder in this classic design. The bubbles are added by hand and add to the pieces' unique nature. It is reminiscent of the moon's surface and has an effervescent quality to it. This design works well in many different styles of decor including, traditional, transitional, beach style, or contemporary, and is perfect as a single pendant or even better in a group of pendants. Form No. 513 is the smallest of our 510 series shades. This design fits well into more compact spaces.
