

767 Spun: 3 Pendant Cascade Chandelier

Form No. 767 in the Spun Series features a beautiful trail that travels across the glass globe. This light has a contemporary and handcrafted feel to it. The trail is added by hand, and no two pieces are the same. This design works well in many different styles of decor including, traditional, transitional, beach style, modern, or contemporary.

Each chandelier features three pendant lights in a cascading formation. These make elegant statement chandeliers for over a kitchen or dining room table. This is the medium sized design of our 700 series.
