

# 147 Spun: 3 Pendant Linear Chandelier

The Spun 3 Pendant Linear Chandelier - Form No. 147 features three shades displaying a unique trail that curves across and wraps the surface of the elegant ellipse shape. The trail is slowly added by hand making each piece unique. The 147 shape provides a softer edge while still emphasizing the height of a space. This design works well in many different styles of décor including, traditional, transitional, beach style, modern, or contemporary.
