

147 Lunar: 3 Pendant Linear Chandelier

The Lunar 3 Pendant Linear Chandelier - Form No. 147 features three shades with a seeded glass ellipse shape. The lunar style is reminiscent of the moon's surface and has an effervescent quality to it. The bubbles are added by hand making each piece unique. The 147 shape provides a softer edge while still emphasizing the height of a space. This design works well in many different styles of décor including, traditional, transitional, beach style, modern, or contemporary.
