

763 Celestial: 3 Pendant Cascade Chandelier

Bicycle Glass Co.'s Celestial 763 Three Pendant Cascade Chandelier features three seeded glass globes with a fully frosted finish. The bubbles and opaque finish are added by hand and attribute to the pieces' unique nature. This style is reminiscent of the stars and moon, giving a soft, gentle glow of light throughout a space. This design works well in many different styles of decor including, traditional, transitional, beach style, or contemporary. Each chandelier features three pendant lights in a cascading formation. These make elegant statement chandeliers for over a kitchen or dining room table.
