

768 Swell: 3 Pendant Cascade Chandelier

The Swell 3 Pendant Cascade Chandelier: Form No. 768 features a beautiful distorted band that travels across each of the three glass globes. This chandelier has a contemporary and handcrafted feel to it. The band is added by hand, and no two pieces are the same. This design works well in many different styles of décor including, traditional, transitional, beach style, modern, or contemporary. Each chandelier features three pendant lights in a cascading formation. These make elegant statement chandeliers for over a kitchen or dining room table. Each globe is 9.5" diameter x 8" tall. This makes a dramatic and larger statement for over a dining table or in an entry foyer as well as other spaces.
