

# 603 Swell: Single Pendant Light

The Swell series Form No. 603 features a single swell glass shade in this classic, lantern shape. Each swell is applied by hand and is reminiscent of the ocean. This design works well in many different styles of décor including, traditional, transitional, beach style, or contemporary, and is perfect as a single pendant for most average size spaces or even better in a group of pendants. This piece is the largest of our 600 series.
