

603 Swell: 3 Pendant Linear Chandelier

Form No. 603 Swell: 3 Pendant Linear Chandelier features three swell glass shades in this unique organic shape. Our most popular glass design, the swell features a beautifully distorted band that undulates around each hand-blown glass shade in an endless wave of elegance. Each swell is added by hand and add to the piece's individual nature. It is reminiscent of the ocean.

600 Series Lighting: All of our glass shades are handmade right here in Minnesota!

The Bicycle Glass 600 series shade offers a fresh twist on the classic lantern shade. The shade displays gently rounded edges along its short cylindrical body and boasts an ageless silhouette, making it ideal for both modern and traditional settings.

Mounting:

Each chandelier features three hand made pendant lights in a linear formation. These make wonderful chandeliers for over a kitchen island or a dining room table.

All hardware is UL and/or ETL listed unless otherwise specified. The linear chandelier canopy is 36" long and 5" wide. The fixture comes with 4 ft of adjustable length cord and is available for customization. Each chandelier is designed for hardwiring into a standard junction box.

Because the glass shade is handcrafted, the overall dimensions may vary. Please ensure small variations are acceptable for your application before ordering.

Product Sku X3-603SWL-LIN01

Glass Series 603

Glass Finish Swell

Available Glass Color Eco Clear, Slate Gray, Steel Blue, Golden Amber

Available Hardware Color Antique Bronze, Brushed Nickel, Matte Black, Polished Brass
