

513 Lunar: Table Lamp

Bicycle Glass Co.'s Lunar 513 Table Lamp features a single seeded glass cylinder in this classic design. The bubbles are added by hand and add to the pieces' unique nature. It is reminiscent of the moon's surface and has an effervescent quality to it. This design works well in many different styles of décor including, traditional, beach style, modern, eclectic and contemporary.

These lamps are brand new to Bicycle Glass Co. and are great additions to desks, bed-side table, living rooms and more. The lamps are available in a Dark Bronze Finish or Brushed Nickel Finish to complement the pendant hardware that is already in your home. Match your existing fixtures or mix it up by adding a new glass color or style to your space! Shades are available from each collection and in all colors that Bicycle Glass offers; Eco-Clear, Steel Blue, and Slate Gray.

Each table lamp offers an accessible USB power hub on the base in addition to the quick-access power switch.

Lamp hardware is 20-1/4" tall with a round base measuring 7-1/8" wide. The table lamp cord features a Type-A 2-Prong US wall plug and is UL listed. These lamps feature a medium base socket, compatible with a maximum 60 watt bulb.
