

603 Spun: Table Lamp

Bicycle Glass Co.'s Spun 603 Table Lamp features a single spun glass shade in this classic, lantern shape. The Spun series features a beautiful trail that travels across the glass globe. This light has a contemporary and handcrafted feel to it. The trail is added by hand, and no two pieces are the same. This design works well in many different styles of décor including, traditional, beach style, modern, eclectic and contemporary. The 603 is the largest size currently available in the 600 Series Collection.

These lamps are brand new to Bicycle Glass Co. and are great additions to desks, bed-side table, living rooms and more. The lamps are available in a Dark Bronze Finish or Brushed Nickel Finish to complement the pendant hardware that is already in your home. Match your existing fixtures or mix it up by adding a new glass color or style to your space! Shades are available from each collection and in all colors that Bicycle Glass offers; Eco-Clear, Steel Blue, and Slate Gray. Each table lamp offers an accessible USB power hub on the base in addition to the quick-access power switch.

Lamp hardware is 20-1/4" tall with a round base measuring 7-1/8" wide. The table lamp cord features a Type-A 2-Prong US wall plug and is UL listed. These lamps feature a medium base socket, compatible with a maximum 60 watt bulb.
