

601 Swell: 2 Light Wall Vanity

The 601 Swell: 2 Light Wall Vanity features two hand-blown glass globes in our unique lantern shape. The swell series features a beautiful distorted band that travels across the glass globes. This light has a contemporary and handcrafted feel to it. The band is added by hand, and no two pieces are the same. This design works well in many different styles of décor including, traditional, transitional, beach style, modern, or contemporary. Form No. 601 is the smallest of our 601 series shades. This design fits well into more compact spaces, like over a bathroom mirror.
