

601 Spun: 2 Light Wall Vanity

The 601 Spun: 2 Light Wall Vanity features two hand-blown glass globes. The spun design features a beautiful trail that travels across the glass globe. This light has a contemporary and handcrafted feel to it. The trail is added by hand, and no two pieces are the same. This design works well in many different styles of décor including, traditional, transitional, beach style, modern, or contemporary.

Form No. 601 is the smallest of our 601 series shades. This design fits well into more compact spaces, like over a bathroom mirror.
