

515 Swell: Exterior Sconce Light

The Swell Series Form No. 515 Exterior Sconce features a beautiful distorted band that travels around the glass globe. This light has a contemporary and handcrafted feel to it. The band is added by hand, and no two pieces are the same. This design works well in many different styles of décor including, traditional, beach style, modern, eclectic and contemporary. Our eco-friendly exterior sconce fixtures are perfect for wall-mounted applications and features a robust exterior grade paint that will last for many years against the weather. These exterior sconces were perfectly for applications outside the house such as front porch lighting, front entry lighting, lighting next to the garage and more.
