

212 Summit: 3 Pendant Cascade Chandelier

Bicycle Glass Co.'s 212 Summit 3 Pendant Cascade Chandelier is a fresh twist on our 212 Icicle bowls! The Summit shape has a unique and geometric texture on the outside while the lip of the shade is reminiscent of a splash and has an organic quality to it. This design works well in many different styles of décor including, traditional, beach style, modern, eclectic and contemporary. Each shade is highly variable in sizing due to its handmade nature and measures approximately 4 - 5" tall and approximately 6.75 - 7.5" in diameter. Each chandelier features three pendant lights in a cascading formation. These make elegant statement chandeliers for over a kitchen or dining room table.
