

767 Spun: 3 Pendant Linear Chandelier

The Spun 3 Pendant Linear Chandelier - Design No. 767 features a beautiful glass thread that travels across each of the three glass globes. This chandelier has a contemporary and handcrafted feel to it. The threading is added by hand, and no two pieces are the same. This design works well in many different styles of decor including, traditional, transitional, beach style, modern, or contemporary.

Each chandelier features three hand made pendant lights in a linear formation. These make wonderful chandeliers for over a kitchen or dining room table.
