

# 513 Swell: Exterior Sconce Light

The Swell Series Form No. 513 Wall Sconce features a single handblown glass cylinder. Our most popular design, the swell features a beautifully distorted band that undulates around each hand-blown glass shade in an endless wave of elegance.

Our eco-friendly exterior sconce fixtures are perfect for wall-mounted applications and features a robust exterior grade paint that will last for many years against the weather. These exterior sconces were perfectly for applications outside the house such as front porch lighting, front entry lighting, lighting next to the garage and more.
