

515 Swell: 3 Pendant Linear Chandelier

Swell 3 Pendant Linear Chandelier: Form No. 515 features three handblown glass cylinders. Our most popular design, the swell features a beautifully distorted band that undulates around each hand-blown glass shade in an endless wave of elegance. This design works well in many different styles of decor including, traditional, transitional, beach style, or contemporary, and is perfect as a single pendant or even better in a group of pendants. Each chandelier features three hand made pendant lights in a linear formation. These make wonderful chandeliers for over a kitchen or dining room table.
